We may cancel one of these depending on how things are shaping up.** Set building, acquiring props, and costuming will continue throughout the production with the help of the cast. We reserve the right to re-cast your role if you do not show up for rehearsals or schedule additional conflicts once the calendar has been set (we plan the calendar around major conflicts with the cast after auditions).

Please specifically list **all conflicts** from January 9, 2023 until April 23 2023, including weekends and vacation time. If you have no conflicts, indicate **none** below (lots of conflicts will be a concern in casting).

A full break down of costs, plus additional fees will be available at the general meeting. You must also help with this production. **12 hours per cast member is required** in addition to rehearsal time. **You will be charged \$75 (or \$125.00 per family) up front. Your check will be held and returned once you have satisfied this responsibility.** I understand these responsibilities and that these show costs are to be paid at the **mandatory general meeting** on Monday, December 12, 2022 at 7:00 pm.
