Stage rehearsals will begin the week of Aug 14th and will be 2 – 4 times a week depending on your role (M – Th). Earlier rehearsals will be discussed at the General Meeting. **We will have Saturday set build/rehearsals– TBD.** Set building, acquiring props, and costuming will continue throughout the production with the help of the cast. We reserve the right to re-cast your role if you do not show up for rehearsals or schedule additional conflicts once the calendar has been set (we plan the calendar around major conflicts with the cast after auditions).

Please specifically list **all conflicts** from Aug 14, 2023 until Oct 29, 2023, **including** weekends and vacation time. If you have no conflicts, indicate **none** below (lots of conflicts will be a concern in casting).

A full break down of costs, plus additional fees will be available at the general meeting. You must also help with this production. **12 hours per cast member is required** in addition to rehearsal time. **You will be charged \$75 (or \$125.00 per family) up front. Your check will be held and returned once you have satisfied this responsibility which includes set strike.** I understand these responsibilities and that these show costs are to be paid at the **mandatory general meeting** on June 27th 2023.
